

PLACEMENT @ SCOE

Centralised Training & Placement Cell

At the centralized training & placement cell we always make dedicated efforts to satisfy the students aspirations regarding their future career goals. It is our observation that around 20%-22% students are planning to do their higher education either in India or abroad to help & assist them we organize seminar, lectures for appropriate selection of course, university etc. Around 3% students are thinking to start their own business or support their relatives. Our entrepreneurship cell helps& guides them to make them successful.

More than 75% student i.e majority of the students plan for a career in the best corporate and hence we focus on following parameters.

Overall personality development: In this competitive world students must possess overall personality along with academic excellence. They must have logical & innovative thinking, have effective communications, and also have professional skills to effectively compete in today's market place, such as teamwork, project management, cross functional networking.

In view of the above we have made it compulsory for the students aspiring to get opportunity in best corporate to attend overall personality programs organized by expert faculty members & industrial experts.

Campus Connect : We always keep thrust on developing campus connect relationship with reputed corporate. This initiative has resulted in organizing plenty of campus drives for entry level recruitment.
